

## REMARKS

Claims 1-3 are pending in this application. The pending claims were rejected based on double patenting. None of the claims are currently amended. A terminal disclaimer is submitted with this response to overcome the double patenting rejection. Applicant requests that a notice of allowance now be issued. Should there remain unresolved issues that require adverse action, it is respectfully requested that the Examiner telephone Applicants' Attorney at the number listed below so that such issues may be resolved as expeditiously as possible.

Respectfully Submitted,
